

Get a Free Credit Report

Problem: Need to Review Your Credit Report & Monitor Credit Score?

Solution: Get a free annual credit report, review it and close old credit cards!

Step 1: Visit one of the three credit bureaus below to get a credit report

- **Equifax** (<https://www.equifax.com>)

1. Click “Log In” and “Choose My Plan”.
2. Under “FREE” click “Get Started”.
3. Enter your information and check the box next to “I’m not a robot”, then click Continue.
4. Enter your Email address and Password and click “Sign Into MyEquifax”.
5. Enter and confirm your Email and Password, then click “I accept”.
6. Click “Yes, Send Me a Text”, and enter the code sent to your phone number, then click Continue.
7. Your credit score will pop up with a drop down on the left by Credit Report that allows access to all parts of a credit report.

- **Experian** (<https://www.experian.com>)

1. Click “Let’s get started”.
2. Enter your information and click “Create Your Account”.
3. Enter last 4 of Social Security #, Birth Date, and Phone Number & click Continue.
4. Confirm your identity by answering the multiple choice questions and click Continue.
5. Choose a security question and answer it, create a 4-digit PIN, and answer final question then click “Submit and Continue”.
6. Click “Credit” at the top, then click “Experian credit report”, on these two pages are your credit history and report.

(continued on the other side)

- **TransUnion** (<https://www.transunion.com>)

1. Go to <https://www.annualcreditreport.com> and click "Request your free credit reports". Enter your information and click "I Accept & Continue to Step 2".
2. Enter this information and click "I Accept & Continue To Step 3".
3. Select Text Message or Phone Call and click "Agree and Send Passcode".
4. Enter the Security Passcode and click "Verify My Identity" and then click Continue.
5. Click "View my report" twice, and then check the box and click Continue.

Step 2: Review all outstanding credit cards. We recommend closing all credit cards that you do not use. This will lower the risk of someone stealing your identity from the retail credit card provider's database.
